

[View the mappings](#)

While you are using the data mapper UI, you can view the mappings that are already defined. This lets you check whether the correct mappings are in place.

#### *Prerequisites*

The data mapper canvas is visible.

#### *Procedure*

1. In the upper right, click [grid] to display a list of the defined mappings.
2. To dismiss the list of mappings and redisplay the source and target fields, click [grid] again.
